a history of mexico city from the aztec empire to the present day

the text of thousands of speeches from all historical periods through the 19th century arranged in alphabetical order

this book analyzes the ways in which china s soft power growth faces dilemmas in east asia through both online and offline platforms one dilemma for china s transnational soft power field expansion lies in the intersection of its source and receiving countries the author discusses how transnational audiences consumption and reception of chinese television series are shaped by domestic factors with interpretations of and desires for different forms of capital further inhibiting the foreign export of these series another dilemma is the outsourced soft power while hong kong and taiwan play significant roles as outsourced soft power mediators their under established emerging digital media platforms have yet to meet the expectations of transnational audiences in a virtual transnational soft power field grounded in the author s multi site field research focused on television spheres soft power made in china argues that china s soft power paradox in south korea and japan two quasi sinophone countries is not due to a lack of state level strategy but linked to soft power pathways that rely on production in one source country and both distribution and reception in a receiving country

in entombed epigraphy and commemorative culture timothy m davis presents a history of early muzhiming the most versatile and persistent commemorative form employed in the elite burials of pre modern china while previous scholars have

largely overlooked the contemporary religious social and cultural functions of these epigraphic objects this study directly addresses these areas of concern answering such basic questions as why were muzhiming buried in tombs what distinguishes commemorative biography from dynastic history biography and why did muzhiming develop into an essential commemorative genre esteemed by the upper classes furthermore this study reveals how aspiring families used muzhiming to satisfy their obligations to deceased ancestors establish a multi generational sense of corporate identity and strengthen their claims to elite status
